Dear Sir.

Yours of recent date rec'd and contents noted. Have forwarded you by registered mail for inspection the good dollars and 2¢. The price for good dollars is $80. Two cents $6. or $85. if you take both. The 1854 S. is worth at least $25. In the past ten years there has been only one offered at public sale which you bid in at $14. I think the above list cheap at price quoted.

Yours truly
